

# Vision Care 4Life Construction Update

5/30/2011

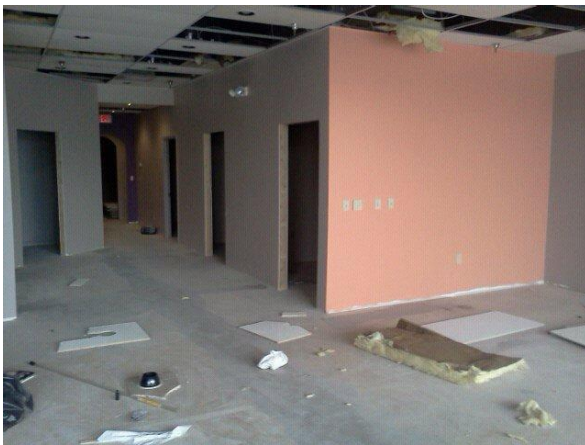

We are happy to announce that our new office at 2020 N. Woodlawn, Suite 390 in Brittany Center is coming along swimmingly. Here are some photos of our progress – keep in mind, since this has been posted, the flooring is all in as well as the doors and frames.

Picture #1 – View from front Door

- Optical Lab window on the right side so you can watch your glasses being made!)

Picture #2 – The other side of the front room – the reception desk will be located here on the orange wall.

Picture #3 – Here along the purple wall next to the optical lab will be where all of our frames inventory will be displayed for you to browse.

Picture #4 – This view from our front door shows how convenient the parking situation will be as you can park, literally, 10 feet from our front door!

We will post more pictures the closer we get to July 5<sup>th</sup> and our opening day. Thanks for all of your support – we couldn't do any of this without our loyal patients and friends.
