

Proud Participant with Project Access

3/29/2012

We are proud to participate with the Project Access charity through the Salvation Army. You can find out much more about them by visiting our “How Can We Help?” page.

- Established September 1, 1999
- More than 10,700 uninsured patients helped
- More than \$127 MILLION in donated health services

As Dr. Foster is the head of the Charity Care Committee for the Kansas Optometric Association (KOA), she would like to say THANK YOU to all the other practices in Kansas that have helped!
